STATE OF NEVADA
BOARD OF MEDICAL EXAMINERS

APPLICATION FOR PHYSICIAN ASSISTANT LICENSURE
INSTRUCTIONS

ONLY original applications for licensure sent from The Nevada State Board of Medical Examiners or downloaded online applications will be accepted. Any applications which appear to have been altered in any form will not be accepted. Applications must be received on single sided white bond paper, 8 ½" x 11" in size. Pages 1 through 4 of the application for licensure received from any source other than the Nevada State Board of Medical Examiners will be rejected. **The completion of ALL items of this application for licensure is mandatory**. Failure to provide any of the requested information will result in the application not being processed or being rejected as incomplete. **APPLICATIONS NOT COMPLETED WITHIN SIX (6) MONTHS FROM DATE OF RECEIPT BY THE BOARD, WILL BE REJECTED.** Information provided will be used for identification and to determine qualification for licensure under Nevada Revised Statutes, Chapter 630, which authorizes the collection of this information.

The application and Form A are to be completed by the applicant, notarized as indicated, and returned to the Nevada State Board of Medical Examiners.

NOTE: The application must be either typed or legibly handwritten (illegible or incomplete applications will be returned). The application MUST also be signed under oath before a notary. The Nevada State Board of Medical Examiners conducts its own independent investigation into the background of each applicant. ***Any false, fraudulent, misleading, inaccurate or incomplete answer on the application IS ONE OF THE GROUNDS FOR DENIAL OF LICENSURE.***

All forms and documents that are required to be sent to agencies or individuals for their completion, must be separated and mailed individually to the agencies or individuals responsible for their completion for return directly to the office of the Nevada State Board of Medical Examiners. Please do not provide the sending agency/individual with a return envelope, as the required documentation **MUST** come to the Nevada State Board of Medical Examiners in the agency's/individual's envelope. **Verifying documentation cannot be accepted if received directly from the applicant.** Photocopies of required documentation and information are not acceptable. It is the responsibility of the applicant to ensure that the completed forms are promptly returned to the Nevada State Board of Medical Examiners. If additional forms are needed, the applicant may photocopy the individual forms.

PLEASE BE ADVISED:

1) ***DENIAL OF LICENSURE:*** **Nevada Revised Statutes, Sections 630.301 through 630.3065, set out the grounds for denial of licensure. Enclosed are copies of these sections for your review.**

Nevada Administrative Code – Physician Assistant Licensure

NAC 630.280 Qualifications of applicants. (NRS 630.130, 630.275)

An applicant for licensure as a physician assistant must have the following qualifications:

1. If he has not practiced as a physician assistant for 12 months or more before applying for licensure in this state, he must, at the order of the board, have taken and passed the same examination to test medical competency as that given to applicants for initial licensure.
2. Be able to communicate adequately orally and in writing in the English language.
3. Be of good moral character and reputation.
4. Have attended and completed a course of training in residence as a physician assistant approved by the Committee on Allied Health Education and Accreditation, the Commission on Accreditation of Allied Health Education Programs or the Accreditation Review Committee on Education for the Physician Assistant, which are affiliated with the American Medical Association.
5. Be certified by the National Commission on Certification of Physician Assistants.
6. Possess a high school diploma, general equivalency diploma or post-secondary degree.

NAC 630.290 Application for license. (NRS 630.130, 630.275)

1. An application for licensure as a physician assistant must be made on a form supplied by the board. The application must state:

(a) The date and place of the applicant's birth, his sex, the various places of his residence from the date of graduation from high school or receipt of general equivalency diploma or post-secondary;

(b) The applicant's education, including, without limitation, high schools and postsecondary institutions attended, the length of time in attendance at each and whether he is a graduate of those schools and institutions;

(c) Whether the applicant has ever applied for a license or certificate as a physician assistant in another state and, if so, when and where and the results of his application;

(d) The applicant's professional training and experience;

(e) Whether the applicant has ever been investigated for misconduct as a physician assistant or had a license or certificate as a physician assistant revoked, modified, limited or suspended or whether any disciplinary action or proceedings have ever been instituted against him by a licensing body in any jurisdiction;

(f) Whether the applicant has ever been convicted of a felony or an offense involving moral turpitude; and

(g) Whether the applicant has ever been investigated for, charged with or convicted of the use or illegal sale or dispensing of controlled substances.

2. An applicant must submit to the board:

(a) Proof of completion of an educational program for physician assistants accredited by the Accreditation Review Commission on Education for the Physician Assistant or, prior to 2001, by the Committee on Allied Health Education and Accreditation or the Commission on Accreditation of Allied Health Education Programs;

(b) Proof of passage of the examination given by the National Commission on Certification of Physician Assistants; and

(c) Such further evidence and other documents or proof of qualifications as required by the board.

3. Each application must be signed by the applicant and sworn to before a notary public or other officer authorized to administer oaths.

4. The application must be accompanied by the applicable fee.

5. An applicant shall pay the reasonable costs of any examination required for licensure.

THE FOLLOWING CONSTITUTE GROUNDS FOR DENIAL OF LICENSURE, AS SET OUT IN NRS 630.301 THROUGH NRS 630.3065:

NRS 630.301 Criminal offenses; revocation, suspension or other modification of previous license; surrender of previous license while under investigation; malpractice; engaging in sexual activity with patient; disruptive behavior; violating or exploiting trust of patient for financial or personal gain; failure to offer appropriate care with intent to positively influence financial well-being; engaging in disreputable conduct; engaging in sexual contact with surrogate of patient or relatives of patient. The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:

1. Conviction of a felony relating to the practice of medicine or the ability to practice medicine. A plea of nolo contendere is a conviction for the purposes of this subsection.
2. Conviction of violating any of the provisions of NRS 616D.200, 616D.220, 616D.240, 616D.300, 616D.310, or 616D.350 to 616D.440, inclusive.
3. The revocation, suspension, modification or limitation of the license to practice any type of medicine by any other jurisdiction or the surrender of the license or discontinuing the practice of medicine while under investigation by any licensing authority, a medical facility, a branch of the Armed Services of the United States, an insurance company, an agency of the Federal Government or an employer.
4. Malpractice, which may be evidenced by claims settled against a practitioner, but only if such malpractice is established by a preponderance of the evidence.
5. The engaging by a practitioner in any sexual activity with a patient who is currently being treated by the practitioner.
6. Disruptive behavior with physicians, hospital personnel, patients, members of the families of patients or any other persons if the behavior interferes with patient care or has an adverse impact on the quality of care rendered to a patient.
7. The engaging in conduct that violates the trust of a patient and exploits the relationship between the physician and the patient for financial or other personal gain.
8. The failure to offer appropriate procedures or studies, to protest inappropriate denials by organizations for managed care, to provide necessary services or to refer a patient to an appropriate provider, when such a failure occurs with the intent of positively influencing the financial well-being of the practitioner or an insurer.
9. The engaging in conduct that brings the medical profession into disrepute, including, without limitation, conduct that violates any provision of a national code of ethics adopted by the Board by regulation.
10. The engaging in sexual contact with the surrogate of a patient or other key persons related to a patient, including, without limitation, a spouse, parent or legal guardian, which exploits the relationship between the physician and the patient in a sexual manner.

(Added to NRS by 1977, 824; A 1981, 590; 1983, 305; 1985, 2236; 1987, 197; 1991, 1070; 1993, 782; 1997, 684; 2001, 766; 2003, 2707, 3433; 2003, 20th Special Session, 264, 265)

NRS 630.304 Misrepresentation in obtaining or reviewing license; false advertising; practicing under another name; signing blank prescription forms; influencing patient to engage in sexual activity; discouraging second opinion; terminating care without adequate notice. The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:

1. Obtaining, maintaining or renewing or attempting to obtain, maintain or renew a license to practice medicine by bribery, fraud or misrepresentation or by any false, misleading, inaccurate or incomplete statement.
2. Advertising the practice of medicine in a false, deceptive or misleading manner.
3. Practicing or attempting to practice medicine under another name.
4. Signing a blank prescription form.
5. Influencing a patient in order to engage in sexual activity with the patient or with others.
6. Attempting directly or indirectly, by way of intimidation, coercion or deception, to obtain or retain a patient or to discourage the use of a second opinion.
7. Terminating the medical care of a patient without adequate notice or without making other arrangements for the continued care of the patient.

(Added to NRS by 1983, 301; A 1985, 2236; 1987, 198)

NRS 630.305 Accepting compensation to influence evaluation or treatment; inappropriate division of fees; inappropriate referral to health facility, laboratory or commercial establishment; charging for services not rendered; aiding practice by unlicensed person; delegating responsibility to unqualified person; failing to disclose conflict of interest; failing to initiate performance of community service; exception.

1. The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:

(a) Directly or indirectly receiving from any person, corporation or other business organization any fee, commission, rebate or other form of compensation which is intended or tends to influence the physician's objective evaluation or treatment of a patient.

(b) Dividing a fee between licensees except where the patient is informed of the division of fees and the division of fees is made in proportion to the services personally performed and the responsibility assumed by each licensee.

(c) Referring, in violation of NRS 439B.425, a patient to a health facility, medical laboratory or commercial establishment in which the licensee has a financial interest.

(d) Charging for visits to the physician's office which did not occur or for services which were not rendered or documented in the records of the patient.

(e) Aiding, assisting, employing or advising, directly or indirectly, any unlicensed person to engage in the practice of medicine contrary to the provisions of this chapter or the regulations of the Board.

(f) Delegating responsibility for the care of a patient to a person if the licensee knows, or has reason to know, that the person is not qualified to undertake that responsibility.

(g) Failing to disclose to a patient any financial or other conflict of interest.

(h) Failing to initiate the performance of community service within 1 year after the date the community service is required to begin, if the community service was imposed as a requirement of the licensee's receiving loans or scholarships from the Federal Government or a state or local government for his medical education.

2. Nothing in this section prohibits a physician from forming an association or other business relationship with an optometrist pursuant to the provisions of NRS 636.373.

(Added to NRS by 1983, 301; A 1985, 2237; 1987, 198; 1989, 1114; 1991, 2437; 1993, 2302, 2596; 1995, 714, 2562)

NRS 630.306 Inability to practice medicine; deceptive conduct; violation of statute or regulation governing practice of medicine; unlawful distribution of controlled substance; injection of silicone; practice beyond scope of license; practicing experimental medicine without consent of patient; lack of skill or diligence; filing of false report; habitual intoxication; failure to report modification of license in another jurisdiction. The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:

1. Inability to practice medicine with reasonable skill and safety because of illness, a mental or physical condition or the use of alcohol, drugs, narcotics or any other substance.
2. Engaging in any conduct:

(a) Which is intended to deceive;

(b) Which the Board has determined is a violation of the standards of practice established by regulation of the Board; or

(c) Which is in violation of a regulation adopted by the State Board of Pharmacy.

3. Administering, dispensing or prescribing any controlled substance, or any dangerous drug as defined in chapter 454 of NRS, to or for himself or to others except as authorized by law.
4. Performing, assisting or advising the injection of any substance containing liquid silicone into the human body, except for the use of silicone oil to repair a retinal detachment.
5. Practicing or offering to practice beyond the scope permitted by law or performing services which the licensee knows or has reason to know that he is not competent to perform.
6. Performing, without first obtaining the informed consent of the patient or his family, any procedure or prescribing any therapy which by the current standards of the practice of medicine are experimental.
7. Continual failure to exercise the skill or diligence or use the methods ordinarily exercised under the same circumstances by physicians in good standing practicing in the same specialty or field.
8. Making or filing a report which the licensee or applicant knows to be false or failing to file a record or report as required by law or regulation.
9. Failing to comply with the requirements of NRS 630.254.
10. Habitual intoxication from alcohol or dependency on controlled substances.
11. Failure by a licensee or applicant to report, within 30 days, the revocation, suspension or surrender of his license to practice medicine in another jurisdiction.
12. Failure to be found competent to practice medicine as a result of an examination to determine medical competency pursuant to NRS 630.318.

(Added to NRS by 1983, 302; A 1985, 2238; 1987, 199, 800, 1554, 1575)

10. Habitual intoxication from alcohol or dependency on controlled substances.
11. Failure by a licensee or applicant to report, within 30 days, the revocation, suspension or surrender of his license to practice medicine in another jurisdiction.
12. Failure to be found competent to practice medicine as a result of an examination to determine medical competency pursuant to NRS 630.318.
(Added to NRS by 1983, 302; A 1985, 2238; 1987, 199, 800, 1554, 1575)

NRS 630.3062 Failure to maintain proper medical records; altering medical records; making false report; failure to file or obstructing required report; failure to allow inspection and copying of medical records; failure to report other person in violation of chapter or regulations. The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:

1. Failure to maintain timely, legible, accurate and complete medical records relating to the diagnosis, treatment and care of a patient.
2. Altering medical records of a patient.
3. Making or filing a report which the licensee knows to be false, failing to file a record or report as required by law or willfully obstructing or inducing another to obstruct such filing.
4. Failure to make the medical records of a patient available for inspection and copying as provided in NRS 629.061.
5. Failure to comply with the requirements of NRS 630.3068.
6. Failure to report any person the licensee knows, or has reason to know, is in violation of the provisions of this chapter or the regulations of the Board.

(Added to NRS by 1985, 2223; A 1987, 199; 2001, 767; 2002 Special Session, 19; 2003, 3433)

NRS 630.3065 Willful disclosure of privileged communication; willful failure to comply with statute or regulation governing practice of medicine. The following acts, among others, constitute grounds for initiating disciplinary action or denying licensure:

1. Willful disclosure of a communication privileged pursuant to a statute or court order.
2. Willful failure to comply with:

(a) A regulation, subpoena or order of the Board or a committee designated by the Board to investigate a complaint against a physician;

(b) A court order relating to this chapter; or

(c) A provision of this chapter.

3. Willful failure to perform a statutory or other legal obligation imposed upon a licensed physician, including a violation of the provisions of NRS 439B.410.

(Added to NRS by 1983, 302; A 1985, 2238; 1987, 200; 1989, 1663; 1993, 2302)

NOTIFICATION TO NEVADA STATE BOARD OF MEDICAL EXAMINERS OF SUPERVISION OF PHYSICIAN ASSISTANT

STATE OF NEVADA)
) ss. **NOTE: NO FEE REQUIRED**
COUNTY OF)

COMES NOW_____**, being first duly sworn who deposes and says that:** I, the undersigned physician, am duly licensed to practice medicine in the state of Nevada by the Nevada State Board of Medical Examiners, possess an active license to practice medicine in the state of Nevada, license number_____, and am in good standing with the Nevada State Board of Medical Examiners. I am engaged in the full time practice of medicine in the state of Nevada, am current on all my required CME and am not aware of any disciplinary action, formal or informal, pending against me by the Nevada State Board of Medical Examiners or any other jurisdiction's medical licensing entity. **I have checked with the Nevada State Board of Medical Examiners and determined that the physician assistant I am going to supervise has never been formally disciplined by the Nevada State Board of Medical Examiners.**

I have read and am aware of the provisions of Chapter 630 of the Nevada Revised Statutes concerning the duties of a supervising physician, as well as Chapter 630 of the Nevada Administrative Code which are the regulations adopted by the Nevada State Board of Medical Examiners concerning a physician's relationship with a physician assistant and/or advanced practitioner of nursing. I have read and am aware of the regulation of the Nevada State Board of Medical Examiners under Chapter 630 of the Nevada Administrative Code that precludes a physician from simultaneously supervising more than three physician assistants or collaborating with more than three advanced practitioners of nursing, or with a combination of more than three physician assistants and advanced practitioners of nursing, without first filing a petition with the Board for approval to supervise more, and the requirement that I prove to the satisfaction of the Board that the circumstances of my practice necessitate more and that I will be able to supervise/collaborate with the greater number in a satisfactory manner.

I hereby certify that this relationship does not violate the limitation cited above concerning the total number of physician assistants or advanced practitioners of nursing with whom I may simultaneously supervise or collaborate. Further, this relationship will not begin until I am in receipt of a file stamped copy of this Notification bearing the receipt stamp of the Nevada State Board of Medical Examiners thereon. Upon receipt of same, I will be supervising the following named physician assistant at the following practice location(s):

_____

_____ _____

NAC 630.370 Supervising physician: Duties

1. The supervising physician is responsible for all the medical activities of his physician assistant. The supervising physician shall ensure that:

   (a) The physician assistant is clearly identified to the patients as a physician assistant;

   (b) The physician assistant performs only those medical services which have been approved by his supervising physician;

   (c) The physician assistant does not represent himself in any manner which would tend to mislead the general public, the patients of the supervising physician or any other health professional; and

   (d) There is strict compliance with:

      (1) The provisions of the certificate of registration issued to his physician assistant by the state board of pharmacy pursuant to NRS 639.1373; and

      (2) The regulations of the state board of pharmacy regarding controlled substances, poisons, dangerous drugs or devices.

2. Except as otherwise required in subsection 3 or 4, the supervising physician shall review and initial selected charts of the patients of the physician assistant. He shall be available at all times that his physician assistant is providing medical services, to consult with his assistant. Those consultations may be indirect, including, without limitation, by telephone.

3. At least once a month, the supervising physician shall spend part of a day at any location where the physician assistant provides medical services to act as a consultant to the physician assistant and to monitor the quality of care provided by the physician assistant.

4. If the supervising physician is unable to supervise the physician assistant as required by this section, he shall designate a qualified substitute physician, who practices medicine in the same specialty as the supervising physician, to supervise the assistant.

5. A physician who supervises a physician assistant shall develop and carry out a program to ensure the quality of care provided by a physician assistant. The program must include, without limitation:

   (a) An assessment of the medical competency of the physician assistant;

   (b) A review and initialing of selected charts;

   (c) An assessment of a representative sample of referrals or consultations made by the physician assistant with other health professionals as required by the condition of the patient;

   (d) Direct observation of the ability of the physician assistant to take a medical history from and perform an examination of patients representative of those cared for by the physician assistant; and

   (e) Maintenance by the supervising physician of accurate records and documentation regarding the program for each physician assistant supervised.

6. A physician may not supervise a physician assistant unless the physician holds an active license to practice medicine and actually practices medicine in this state.

7. Any physician licensed by the board and in good standing and not specifically prohibited by the board from acting as a supervising physician, may act as a supervising physician of a physician assistant, unless the physician assistant has been formally disciplined by the Nevada State Board of Medical Examiners, in which event, the physician must, before acting as that physician assistant's supervising physician, apply to the board for approval.
